The owner of the head of advantage strikes and strikes (with a stick) just behold. Ejigbo's whips of profit strike and strike, behold. You clean the world. Our tribe has the tradition. Our tribe has the tradition as supporters of the boa.

Father, owner of snake legs, Father, owner of snake legs

You fill the world with life, knowledge accomplishes it, you fill the world with life  
 Father  
 you fill the world with life, knowledge accomplishes it, you fill the world with life  
 Father  
 King of the White Cloth who in a fine shower unexpectedly falls, a blessing  
 All dream of warming in the flow of goodness

The flow of goodness, father, the flow of goodness

*All dream of warming in the flow of goodness*
