

○YE MIS CANTARES

³Quisiera que mis cantares
³nacidos del corazón
³lo guardas como una ofrenda
³de mi amor hacia tí
³para que **nunca** me olvides

⁵Dame la **mano**, dame la **mano**
querido **amigo** del corazón
³tú eres la **luz** que me ilumina

El guaguancó es lo más sublime
²para el alma **divirtir**
se ³debiera de **morir**
el que por bueno no lo **estime**
²ye yo canto para **que** te animes
y ²tú me pongas **atención**
una rumba bien cantada
siempre alegre el corazón

Qui³siera que mis cantares
nacidos del **corazón**
lo guardas como una **ofrenda**
de mi amor hacia tí
para que nunca me olvides

Ay dame la mano
que me vengo cayendo
oye me vengo cayendo
yo me vengo cayendo

coro

³*Dame la mano*
que ³*me vengo cayendo...*

I would like for my songs
that were born from the heart
to be saved as a present offered
as a token of my love towards you
so that you will never forget me

Give me your hand, give me your hand
cherished friend of the heart
you are the light that illuminates me

The guaguancó is the most sublime
diversion for the soul
he should be dead
who doesn't hold it in high esteem
listen, I sing to enliven you
and so you will give me your attention
a well sung rumba
always makes the heart happy

I would like for my songs
that were born from the heart
to be saved as a present offered
as a token of my love towards you
so that you will never forget me

Give me your hand
because I am falling
listen, I'm falling
I am falling

coro

Give me your hand
because I am falling...
